

like in ART Santa Monica open after Bundy... local Artists made mural

sufficient lighting

food truck spales

want to encourage comm. communications - coffee shop - gallery

more green space
urban farming/urban grow is nothing
could be oppor. cleaner air, good

residential safety for SRTS, seniors, young residents

0.5 miles connect to Mt Fig!! Bike

N/S Bike connect. to DT & Slason

park maintenance - lights -

Lighting parking lots

want water fountain
public restrooms

changing station for scooters
parking for scooters

No tireshops
Cambus
Pon shops
Any day line
liquor
churches

"Food court" for the food truck @ Normandie + Slason

safety + we keep along the bike path

move commercial retail - have small business - startups

Bike lock
Scooter
Bike lock

community spaces.
- tutoring
- library
kids can ride bikes to after school

more walkable
more small businesses

concern about homeless people ungrouping

want young adult resource along bike path

Age 5-11
all safety risk

Increase park size

ARTS VENUES & SPACES

Affordable housing for very low income

ADA Access
Lighted Crosswalks
Senior Svc

Social Gathering Area

More housing controlled
homeless (so shelters clean streets)

issue: crime in chaker square
mainlines at the path

"Human" in Rastive
education on travel, mobility

commercial development
more light-weight manufact. for jobs... really want that

Increase Community / Park areas for young adults/children

fascade design requirements

Building Design
Transparency
open plan commercial space
e.g. Angel City
e.d. Starbucks

DO Park & Ride Parking @ Metro also for stadium

small business support

living wage jobs
nature of work is changing... need to be forward thinking

light manufacturing worker-owned co-op

no defined barrier b/w indoor outdoor space

Use old railroad signs as art keep in place

FLORENCE AVE

FLORENCE AVE

FLORENCE AVE

CRENSHAW BLVD

VAN NESS AVE

WESTERN AVE

NORMANDIE AVE

VERMONT AVE

HOOVER ST

residential safety for SRTS / seniors, youth residents

0.5 miles connect to My Fig!!! Bike

N/S Bike connect. to DT + Slauson

safety + up keep along the bike path

move commercial retail - have small business startups

Age 5-11 HI safety risk

fascade design requirements

Building Design Transparency Open plan commercial space e.g. Angel City e.a. Starbucks

no defined barrier b/w indoor out door space

Recreation equipment for exercise along path

Like LACMA's young adult space

nice place to come see @ olympics

More SHU!!! More SHU!!! More SHU!!!

industrial pollution air quality issue... line to see cleaner vcls

native trees native landscaping - Theodor Palm

Bus-shelters Shade, rain

Bike locks + Scooter Bike locks

need more green, open spaces parks

City allotment \$ money for viable small business purchase

Bad: Side of wave-houses, indust uses.

lighting on bike path.

More trees along Slauson

Park improvements more trees

Curious about Carribe's Industry + use mining study

Support 7AM

more reasons to be walking on the street. no walls, gates

MORE Parks within the neighborhood
